THE COUNTY'S BUSINESS **AFFAIRS**

BRISTOL, PA., TUESDAY EVENING, OCTOBER 30, 1951

In the election next Tuesday, some of the county ticket to be elected has to do with the administration of justice, but the rest of it consists of the officers who are to have charge of the county's business affairs.

At the head of the county's financial matters are the County Commissioners, three of them, elected every four years. Under the law, no one political party can elect more than two of them. The Republican candidates, as usual, include one man who is completing a term as Com- Bristol Township is First missioner, and another who is new to the work. The incumbent is Mr. Joseph W. Conant, president of Harvard University, that solar energy will be the new source. It will be no such thing says the magazine.

The magazine points out, and it is no doubt correct—unless Dr Conant is, that is-that overall costs of solar energy would be 10 to 50 times the cost of coal. But this may be only a guess, as the magazine contends less is known about solar energy than is known (couling, use only as directed) is sold with about atomic energy today.

No nuclear power plant is operating, but the magazine is hopeful nuclear energy could provide up to 20 per cent of the world's needs for several hundred years. Contrasted to the one per cent currently contributed by hydroelectric power, this sounds impressive.

The point is made that present energy reserves will not be able to keep up with a growing population and industrial economy. In 1950, the United States used four billion billion heat units of energy. In the next 50 years 100 billio billion heat units of nuclear energy might be available at a favorable price, according to Nucleonics. which thus sets a formidable mark for the solar energy adherents to shoot at.

Apologists for the administration's policy in the Far East now are quoting Henry Wallace in attempting to refute the critics. That surely is scraping the bottom of the barrel.

The nation now has \$28,000. 000,000 in cash in circulation, or barely enough to keep the government going for six months.

Acclaim Model Airplane Meet "Successful" Affair

In spite of Sundays inclement weather the model airplane contest held by the Bucks County Federation of Model Airplane Clubs Entertained Saturday evening by was successful. Entries from clubs ily, Mr. and Mrs. Horace Booz and Quakertown, York and Bristol participated.

The meet was held on the new tion by the Willow Grove American Legion Post. All contestants agreed that it was one of the finest fields that they have ever had the opportunity to fly models upon. First prize was won by James

Kirman of Upper Darby; 2nd by George Harting, Annapolis: and 3rd by John Goodman of Glenside. In the special junior "catch all' event, Frank Horn, Jr., Hatboro, took 1st prize, 2nd, Steven Good-

man, Gleaside; and 3rd Carl Ripley, Jr., Glenside. A surprise entry David Barker. Bristol, flying a model of his own design took 4th place. His flights were the only successful ones made by members of the Bristol group. The contest was for team racing type models only. The next model

meet which will be held on the same field will feature nearly every type of event hence many more entrants are expected.

DELHAAS FALLS ONE POINT SHORT OF A VICTORY

Delhaas Junior Varsity rallied in the second half but fell one point short vesterday afternoon as it was beaten by the Bensalem Jayvees, 13-12, on the Bristol Township school field.

Delhaas was trailing 13-0 as the second half got under way but Petro scored from the one-yard line and George Manley raced 30 yards on a run-back of a kick but after each touchdown the extra point conversion try was unsuccessful.

Al Parker scored both of Bensalem's touchdowns. In the first quarter, he climaxed a 47-yard drive by going over from the one while in the second quarter, he plunged through the line for 8 yards and a TD. Russ Struble's placekick for the extra point decided the tilt.

Larry Katz intercepted two passes in the second half and Manley intercepted another to threaten the Bensalem goal but the offensive attacks after the interceptions were stalled. Delhaas had four first downs and Vizzini Bensalem, 7.
